

Hi Neighbor...

It has been an honor to work for you during my first four years serving as Senator in Midtown, U-Med, and Spenard. Together, our accomplishments have brought forward change for the betterment of public safety, cultural recognition, education, equal rights, personal caregivers, infrastructure and more. These are hard-earned accomplishments during my first four years in the Senate, and there is so much more that we need to get done!

Now with the interim re-districting map, I look forward to representing the people of District G which encompasses the Spenard, Tudor, Rogers Park, Taku, Campbell Park and Midtown Anchorage areas.

Always representing your interests,

Senator Elvi Gray-Jackson
